

AGREEMENT BETWEEN OWNER / CONTRACTOR / GOVERNMENT AGENCY WORKING ON PORT FACILITIES AND REAL PROPERTY OWNER FOR DISPOSING SOIL SUITABLE FOR ANY USE ON OWNERS PROPERTY.

The Port has entered into an Agreement with Federal Emergency Management Agency (FEMA) / Oregon Emergency Management (OEM) Project Worksheet PW-189 for the work to dredge Basins 1 and 2.

The Owner / Contractor / Government Agency, _____ (Owner of the real property (Property) located at (for example, address, location, county, and parcel numbers(s), offsets, and other property location information)

Street Address		
City	State	Zip Code
County	Parcel Number(s), if available	

agrees to allow the Port to dispose on the Owner's Property approximately _____ cubic yards of soil generated from dredging Basins 1 and 2.

The Owner / Contractor / Government Agency acknowledges receipt of the Oregon Department of Environmental Quality letter dated June 12, 2024, SW-Permit Exemption for Clean Fill, Dredge Sediment.

The Owner / Contractor / Government Agency agrees to abide by all federal, state, and local regulations prior to placing soil on the Property.

The Owner / Contractor / Government Agency agree that the soil will be transported, deposited, and left in a manner that will not cause injury or harm to any person or property. If injury or harm does occur to any person or property, or should any environmental impacts or litigation arise a result of the excavation, removal, transportation, deposition, or from the final form in which the Property is left, the Owner / Contractor / Government Agency agrees to indemnify, defend, protect, and hold harmless the Port in any action in law.
